Hi Paula,

I have found the information you are looking for regarding the 104(e) request correspondence between Pepsi Bottling Group and the EPA. The responses from PBG are somewhat numerous so I copied the information to the I drive.

You will find the PDFs at: I:\30 Day Share\Paula Schmittdiel VB I-70\104 e request

Please let me know if you need anything else. Thank you!

Shawna

Shawna – I would like a copy of our letter and the Pepsi Bottling Plant's response to our 104(e) request. I'm not sure when EPA would have sent them the letter – sometime in 2000-2012?? If their response very extensive let me know.

Thank you.
